

## GATE Exam-2017

GATE Exam-2017 has been qualified by five students of Mechanical Engineering (ME), Civil Engineering (CE) and Computer Science Engineering (CSE) Departments. By qualifying this exam, new doors are now open for them to try their fate for admission in Ph.D. course in IITs and jobs in PSU sector. Career Point University, since its inception, is catering the talent of its students which is evident with student's score card in GATE 2017. University's top scorer, Mr Arun Dev Karan (ME) procured 6713<sup>th</sup> position among two lakh students approx. His lead is followed by Mr Nitin Sharma & Mr Navjot (ME) and Mr Nitin & Mr Vishal Dogra (CSE) by acquiring a good score. On this occasion, Hon'ble Vice Chancellor, Prof P L Gautam, Registrar, Dr Sanjeev Sharma congratulated the students for their success.

## Post Doctoral Fellowship

Dr Shashi Poonam, HOD Law Department, got selected by ICSSR, New Delhi for Post Doctoral Fellowship. Every year, 100 social scientists are shortlisted by ICSSR in which Dr Shashi Poonam made her mark. Dr Poonam is quite active in research and has worked on many projects & published research papers on 'Female Feticide' in India. She is also linked with other social organization especially working for the empowerment of women.

## National Conference ABAS-2017

A two-day ICMR sponsored National Conference "ABAS-2017" has been organized by School of Basic

and Applied Sciences w.e.f. 07<sup>th</sup> to 8<sup>th</sup> April, 2017. The conference was inaugurated by Prof R L Sharma, Hon'ble Vice Chancellor, Himachal Pradesh Technical University, Hamirpur and Prof P L Gautam, Hon'ble Vice Chancellor, Career Point University, Hamirpur. In his opening speech, Prof R L Sharma insisted on the importance of qualitative work and said that researchers must have patient while completing their work to avoid any complications.

On first day, well reputed scientist Prof Ravi Kumar (NIT Hamirpur), Dr Satinder (IIT Mandi), Prof P L Sharma (HPU) and Prof M S Chauhan (HPU) shared their knowledge and experience while delivering their invited talks. Prof Ravi Kumar briefed about Material Science and motivated researchers to explore this field.

The conference was attended by more than 200 research scholars who came up from many esteemed universities such as Kathmandu University Nepal, Guru Nanak Dev University Amritsar, Kurukshetra University Haryana,

and Amity University Gwalior. These scholars presented their research by means of oral and poster presentations.

On 8<sup>th</sup> April 2017, Prof Rup Lal was invited as the chief guest for closing ceremony. The closing ceremony was blessed with the gracious presence of some of the well-known scientists of India such as Prof Suman Lakhanpal (Delhi University), Prof Gurinderjit Randhawa (ICAR, Delhi), Prof D C Gautam (HPU), Prof P C Sharma and Prof Kamal Sharma (College of Horticulture and Forestry Neri, Hamirpur). During this conference about 198 research papers were received from various fields. Out of which there were 79 poster and 119 oral presentations. Among all of these papers, the Scientific Committee selected only 30 research papers based on the quality content, which will be published online in the Career Point University's Research Journal.

At the end, chief guest Prof Rup Lal addressed the students and encouraged them to come forward with new ideas and make their institution, state and country proud. Dr Indu Sharma, Organizing Secretary ABAS-2017 delivered vote of thanks to the entire delegates and appreciated the efforts of Organizing Committee for

making this conference a big success. She also thanked the "Indian Medical Research Council (ICMR)" for sponsoring this conference.

## Campus Placement

A placement drive was organized for the students of M.Sc. (Chemistry, Physics, Botany, and Maths) by the University. Students were given a chance to become a part of numerous Coaching Centers, Technical Campuses, Universities and Schools of Career Point Group. For this, interested candidates were assessed on the basis of written test which was followed by a Demo Lecture. The students showed a great zeal and were very thankful to the University for providing such opportunity.

## Workshop on Digital Design Using VHDL

A one-day workshop on "Digital Designing using VHDL" was organized by ECE Department University on April 22, 2017. The main intend behind this workshop was to provide information of the "Jylink Companies

Circuit Simulator” and its use in various digital design formation to the students of B.Tech. and M.Tech. Courses. The key speaker of the workshop was Dr. Feloman Daniel, AP in ECE Department, NIT Hamirpur.

## **A Guest Lecture on Rocket Engine**

On 25<sup>th</sup> April 2017, a guest lecture for the students of Mechanical and Physics Departments was organized by Mechanical Engineering Department.

This lecture was delivered by Dr Sudershan Kumar, who is working as an aerospace engineer at IIT Mumbai. Dr Sudershan is honored with many awards such as “IIT Mumbai Young Investigator Award (2011)”, “INAI Mumbai Young Investigator Award (2012)”, etc. In his lecture, Dr Sudershan dwelled upon “Rocket Engine” which was very profitable for the students of both the departments.

## **Techno-Cultural Function 2K17**

The Techno-Cultural Fest, “ANANT-2K17” was organized w.e.f. 26<sup>th</sup> April to 27<sup>th</sup> April, 2017. The function was inaugurated by Chief guest Dr. S.K. Sharma, Ex Advisor, Department of Ayush, Health Ministry New Delhi, Prof P L Gautam (Hon’ble VC), Dr Sanjeev Sharma (Registrar), Prof M R Sharma (Dean Academic Affairs), Shri K S Thakur (Sports Advisor), Prof D K Gautam (Dean Engineering) and Prof K L Verma (Dean Basic & Applied Sciences) by lighting the lamp.

In his inaugural speech, chief guest encouraged students to participate such activities. He also briefed students how science is related with “Vedas” and motivated them to work hard to achieve their goal of life.

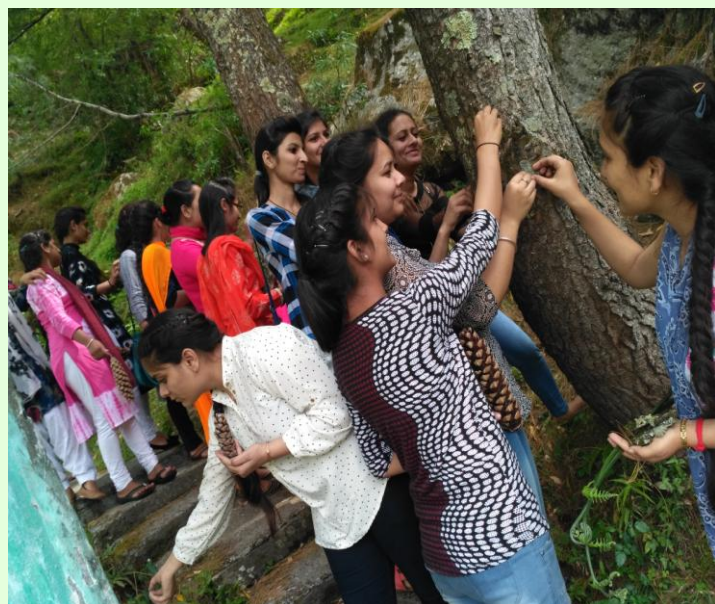

The first day of the function started with the melodious Tabla performance by Mr Alankar Kaundal (Special Invitee from HPU) which was followed by various cultural, entertaining and technical activities. Apart from this University, the students from various Colleges and Technical Institutions have also participated in this mega cultural function.

On second day, Shri T R Sharma was invited as chief guest. Then Mr Ashish Sharma, a bollywood musician electrified the aura by playing Flute. He has also played flute at Commonwealth Games 2010. ANANT-2K17 made its make by showcasing numerous cultural events, live models and technical events. The main attraction of the day was “Rudra: the Himalayan Band” who rocked the students. Their performance was quite worthy of their name which was enjoyed a lot by students.

## [A Visit to Herbal Garden](#) [JoginderNagar](#)

The Botany department of the University organized an educational visit for the M.Sc. students to the Herbal Garden, Joginder Nagar, Distt. Mandi. During their visit, students collected information about different herbs like Aswagandha, Gooseberry, Sita Ashok Varveris, Azadirachta Indica, Erica Cactus, Cycas and some plants which are likely to extinct like Jigon, Valova and some useful plants like, Ficus Religiosa (Pipal), Gooseberry (Aanwla), etc.

Students also collected samples of Briofite, Gymnosperm and Angiosperm for the laboratories. The University insists on such visits which are quite beneficial for students as it imparts practical knowledge among them by obtaining knowledge direct form field.

## [Workshop on How to Prepare for](#) [Judiciary examination](#)

A one day workshop on “How to prepare for Judiciary Examination” has been organized by Law Department of the University. In this workshop, experts detailed about

the questions asked in judiciary examinations and how to attempt these different subjects. Mr Parth Jain and Ms Anshu Chaudhary (Civil Judges at Hamirpur District Court) provided information about the factual working of judiciary system. They motivated students and made them clear that after 6 to 7 months their focused and planned study will get them near to their goal.

On this occasion the books on judiciary entrance exams were also recommended by experts. The workshop was very beneficial for Law students and was cherished by them all. The main objective of this workshop was to make students ready for examinations along with their regular studies.

## **A Guest Lecture on Right to Information (RTI)**

The Law Department has organized a “Guest Lecture” in which the key speaker was Prof Ajay Sharma, Delhi University.

In his lecture, Prof Ajay enlarged student’s knowledge about Right to Information Act 2005 and different domains of Indian Constitution. Apart from this, he also briefed students about how to file suit in civil matters. The main purpose behind this healthy interaction was to make students well aware with the facts and pros & cons of these laws.

### **Editorial Board**

***First Row:** Arti & Pratibha from M.Sc. Chemistry and Diksha & Yamini from B.Sc. Hons. Chemistry.*

***Second Row:** Mr. Saurabh Kumar AP English and Dr Kuldeep Kumar AP Chemistry.*
