

## Mock Test Series for Law students

Career Point University has started a Mock Test Series (MTS) for the students of Law Department. This exam is designed to prepare students for the future competitive examinations. It will provide a platform to Law students for Judicial Services and ADA exams. Keeping all these things in mind, University has taken a profound initiative for the betterment of students in future.

## A Guest Lecture on Rural Area Development

Prof. Kaushal Kumar delivered a guest lecture on the Recent Developments in Rural Areas. Prof. Kaushal Kumar is currently working as Professor in Economics at JNU/ CSRD, New Delhi. He is utilizing all his energies in the domain of congregational rural area development. He has initiated many projects throughout the country for the well being of peoples of rural areas. In his lecture, he dwelled upon all of his team work done in the field of rural

areas. He said that the Career Point University is located in a rural area, so it must take some initiatives to develop the rural areas atleast in its surroundings. Prof. M.R. Sharma, Dean Academic Affairs, thanked Prof. Kaushal for delivering the lecture and said that in near future University will constitute a Rural Development Cell (RDC) to initiate the projects under his guidance.

## Academic Council Meeting

A meeting of the Academic Council of the University was chaired by Hon'ble Vice Chancellor Prof. (Dr.) P.L. Gautam. Academicians from the NIT Hamirpur and HPU Shimla were present in the meeting along with the University personnel. The outcome of the meeting was to obtain permissions to start the new courses, i.e., B.Sc. & M.Sc. in Zoology, PGDCA & BHMCT and also to revise the syllabus of some existing courses. Another highlight was to introduce French Language as a subject which will help students to get jobs in foreign countries.

## A Visit to Hamirpur Jail

On the eve of "Nelson Mandela's birthday", the students and teachers of Law Department visited the Hamirpur Jail. Nelson Mandela was an advocate and Boxer. Jail superintendent briefed the students about the contributions made by Mandela for the upliftment of the discrimination based upon color. Students got their awareness about the rights and facilities of prisoners provided by Indian Penal Code (IPC).
