

“CP Star Exam-2016”

About 3000 students from different Senior Secondary Schools appeared in “CP Star Exam” organized by Career Point University Hamirpur. It is a National level exam which is conducted once in a year. According to their acquired ranks, the aspiring students get concession in tuition fees and other benefits such as scholarships during their study in the different institutions of the Career Point Group throughout India. This test is quite beneficial for the students of Science Background as it helps them to prepare for different competitive exams such as JEE Mains, AIPMT, etc. On the contrary, students from Humanities and Commerce Background also get benefitted to prepare for HPSSC and other competitive exams. Thus, the test provides a glorious opportunity for students to check their abilities as well as their weak and strong areas.

A Visit to Judicial Courts Complex Hamirpur

The law department of the university always remains in limelight for organizing astonishing events. This time, LAW students visited the Public Court Hamirpur for witnessing the live proceedings of the court. The students were quite enthusiastic for the court proceedings and learnt a great deal about the cases by interacting with the defendants and also how to settle the cases in the Public Court. The objective of this visit was to provide practical knowledge by exposing them to the real world’s court hearings/situations, which was treasured by all the students participating.

A Seminar on Cloud Computing

The CSE department of the university organized a one-day seminar on “Cloud Computing”. Mr Anoop Singh Thakur (Chief Technology Officer) from ATOO IT Pvt. Limited was the key speaker of event. In this seminar, he

briefed about various aspects including scopes, challenges, and future of this newly developing field of Computer Engineering. The seminar was attended and cherished by the students of various departments. The university authorities assured students that such events will be organized in future to keep its students up to date with upcoming technologies.

A Seminar on “Why & How to be An Entrepreneur”

A one day seminar on “Why and How to be an Entrepreneur” was organized by the Entrepreneur Cell of the university to cultivate the spirit of entrepreneurship among students. The Manager of District Industrial Centre (DIC) Mr. Pratyush Verma was the chief guest of the event and provided valuable information and insights about self-employment. He also briefed about Prime Minister’s Employment Generation Program.

The cell has also invited the local and successful grass-root entrepreneurs from neighboring areas such as Dogra Construction, Bhoranj; Om Bag Industry, Bhayar; Dev ji

Namkeen, Patta; Shyam Mineral Water and Royal Wooden & Steel Fabrication, Jahu; Tarun Goel (the ok travels) and Pankaj Thakur (scorpion gym) to share their success stories. The Vice Chancellor of the University Prof. (Dr.) P.L. Gautam inspired/motivated the students to work on self-employment schemes and assured to organize such seminars in future as well. Towards the end of the seminar, the Coordinators of the Cell, Dr. Vaibhav Thakur and Mr. Saurabh Kumar expressed their gratitude to the entire team for making the event successful.

A Visit to Dhauladhar Zoo

The Zoology Department of the University organized an educational visit to the “Dhauladhar Zoo” at Gopalpur Village located near Palampur in District Kangra. The students of M.Sc. and B.Sc.(Hons.) levels were accompanied by two faculty members, Dr. Abhinav Thakur and Ms. Kalpna Sharma for this trip. The objective of the trip was to aware students about the present condition of the endangered species of animals.

Students learned a lot about many unique and rarely found species of animals and birds such as Indian Peafowl, Red Jungle fowl, African Grey Parrot, Leopard, Barking Deer and Porcupine. Dr. Abhinay Thakur briefed students that these animals are on the verge of extinction due to the continuous shift in global climate which is resulted because of polluted environment. He urged students that it is our responsibility to protect these animal's natural habitats and we should take some serious actions in this regard.

Diwali Fest-2016

This year, the Diwali fest was organized on a different theme by Career Point University with great joy and vigour. The program was inaugurated by the Dean Academic Affairs, Prof. M.R Sharma; Registrar, Dr. Sanjeev Sharma; Dean Engineering, Dr. D.K Gautam; Dean Basic and Applied Sciences, Prof. K.L. Verma by enlightening the lamp as a tribute to Goddess Saraswati.

Students of various Departments came up with a unique idea to celebrate the event and organized Ramleela in which they played all the auspicious characters.

Apart from that, various stalls were also settled with the provisions of Crackers, Sweets, Diyas, and Flowers. Rangoli Competition and cultural program was also organized during the fest. However, Ramleela was the main attraction of this event. Towards the end, students were distributed trophies for their valuable efforts for making the fest a grand success. The vote of thanks was delivered by HOD of Computer Science Department, Ms. Pratibha Sharma in which she conveyed her best wishes of Diwali to all.
