AIM & OBJECTIVE

- The Entrepreneurship Cell is a non-profit organization run by the students of Career Point University, Hamirpur that aims at manifesting the latent entrepreneurial spirit of the students.
- The cell is keen to host various workshops, speaker session, innovative games, competitions for aspiring entrepreneurs and support them by providing necessary resources such as funding, mentoring, consultancy and networking.

MISSION & STATEMENT

- The mission is to promote, sustain and practice the spirit of entrepreneurship and innovation among individuals by providing them a platform to convert their ideas into successful business
- Statement **Become Job Providers, Rather Than Job Seekers**

VISION

- We believe that entrepreneurship can unlock India's latent inventive potential. It will not only push India to the forefront of the world but also help raise the quality of life in the country.
 - With this belief The Entrepreneurship Cell, CPU Hamirpur targets to help in the development of India's entrepreneurial ecosystem by enabling easy and efficient interaction between it's major components spanning students, working professionals, aspiring and existing entrepreneurs, mentors, angel investors, venture capital firms and corporate through initiatives like interactive sessions, competitions, conferences etc.
