

Placement Drive for Engineering

Students

The Training and Placement Cell of Career Point University had organized a campus-drive for the students of Engineering for on-campus placement. In this Campus Drive, a total of nine students from Mechanical, Civil and Electronic engineering were selected by companies of great repute, i.e., “Khanna Enterprises”, “JREU Pioneer Limited”, “Salezon Technology Private Limited” etc.

Selected students will join the company after passing their last semester. The Vice Chancellor Prof P L Gautam, Registrar Dr Sanjeev Sharma, and Dean Academics Prof M R Sharma have congratulated the students and wished them a success future ahead.

Educational Tour to Kullu

Career Point University had organized a one-day educational tour for the students of Physics and Management Departments. The students were taken to

“Bhuttico” a co-operative society in Kullu to know and learn about its working and management. Bhuttico is regarded as one of the most reputed societies of India and students learnt a great deal about its working by interacting with its members. Students even learnt how to create a small industry and how to lead it towards the zenith of infinite limits.

Internship for Management

Students

A total of 19 students (BBA & MBA) from Management Department are selected for internship by Times of India. During their internship, the selected students will receive stipend from the company. The Vice Chancellor Prof P L Gautam, Registrar Dr Sanjeev Sharma, Dean Academic Prof M R Sharma, Dean Basic & Applied Sciences Prof K L Verma and Dean Engineering & Technology Prof D K Gautam have congratulated the selected students.

First Prerna Awards Ceremony

The Career Point University has created another benchmark by being one of the organizers of “First Prerna Awards Ceremony” by the NGO Prerna Foundation in the auditorium of Delhi University, New Delhi. The Chief Guest for the occasion was Shri Sujan Singh Pathania, MPP & Power Minister, Government of Himachal Pradesh. In this event, Prof P L Gautam, Vice Chancellor Career Point University was awarded with the award of Outstanding Vision, while research scholar Dr Shashi Poonam was felicitated as special guest along with other renowned guests who are working in the field of women empowerment. The Law students of the University have performed Swarswati Vandana and Himachali Natti in this programme.

During his speech, the chief guest focused upon empowering women with education so that they can know about their rights and crime against women could be reduced in the society. He praised the efforts made by Career Point University in this direction.

Farewell Party

The students of School of Basic & Applied Sciences of the University organized a “Farewell Party” for the final year students of their respective Departments. For the organization of the party, all the Departments of School were actively involved. The party was inaugurated by the Vice Chancellor of the University and afterwards a cluster of cultural events i.e. Natti, Giddah, Bhangra, Modeling, Singing, Dancing were presented by students which were quite mesmerizing. Towards the end, the results of Mr & Ms Farewell, Personality and Charming were announced and the final year students thanked their junior for organizing such a memorable party.

Visit to CSIR IHBT Palampur

The Chemistry Department of the University arranged a visit for its students to the “CISR Institute of Himalayan Bioresources Technology, Palampur”. The students were accompanied by Dr Kuldeep Kumar, HOD and Dr Rahul Sharma, AP of Chemistry Department. The visit was organized with an aim to make students acquainted and

more knowledgeable by showing them the Advanced Research Laboratories with high cost equipments. The students were briefed about the modern techniques such as HPLC, NMR, UV-Visible, FTIR and their usage in the human life by the Senior Scientist Dr Upender Sharma. He even explained how to use the knowledge present in the old scripture and books to make medicines and chemicals useful for present generation. Organizing such visits are necessary and an integral part of nurturing students potential which is a part of curriculum in Career Point University.

Certificate of Excellence in Reviewing

Prof K L Verma, Dean School of Basic and Applied Sciences, is recently been awarded with a “Certificate of Excellence in Reviewing” by *British Journal of Mathematics & Computer Science* for his excellent work of reviewing research articles.

This certificate was awarded by Chief Managing Editor Dr M Basumondal. It is a matter of pride for the University to get such honor by Prof K L Verma.
